## Andromeda

Design by Paolo Ulian

Andromeda è una lampada che può assumere infinite configurazioni formali a seconda di come vengono 'piegati' i vari elementi/diffusori esagonali.

Andromeda is a lamp that can produce an infinite number of formal configurations depending on how the various hexagonal diffusers/elements are 'bent'.

Sorgente luminosa/Light source:  
1x7W LED Ø42mm 220Vac 3000K 430Lm En. class A

Materiale/Material: Alluminio/Aluminium
