

Barra

Design by Enrico Azzimonti

Verghe metalliche, sapientemente tagliate, piegate, modellate e assemblate nell'industriale fucina Zavarise, si tramutano in preziose barre luminose.

Metal rods are expertly cut, bent, shaped and assembled in the Zavarise industrial forge and are transformed into valuable light bars.

Sorgente luminosa/Light source:

- L38xH8xP7 cm: 1x14,4W LED 220V 4000K/3000K 1440Lm/1368Lm En. class A
- L78xH8xP7 cm: 1x33,6W LED 220V 4000K/3000K 3360Lm/3192Lm En. class A
- L118xH8xP7 cm: 1x52,8W LED 220V 4000K/3000K 5280Lm/5016Lm En. class A
- L158xH8xP7 cm: 1x72W LED 220V 4000K/3000K 7200Lm/6840Lm En. class A

Materiale/Material: Ferro, alluminio/Iron, aluminum

Dimmerabile su richiesta/Dimmable on request
