## OUT

The feel of a sheet of rice paper that folds on itself, wrapping around the light and making it soft and intriguing.

Materials: translucent white linear polyethylene casing for diffused lighting; white linear polyethylene base.

Das Gefühl von einem gefalteten Blatt Reispapier, das das Licht umgibt und ihm einen weichen und täuschenden Charakter verleiht.

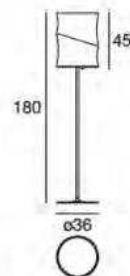

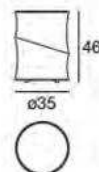

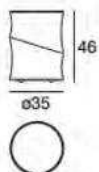

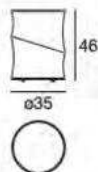

Material: Leuchtkörper aus linearem, weißem, durchscheinendem Polyethylen; Fuß aus linearem, weißem Polyethylen.
